Professional issues

Describe why your profession means so much to you.

Describe your dreamed work space.

Do you think talent exist?

Daytime work or nighttime work?

Describe the main steps in a creative project from the beginning to the end.

(Make a cup of tea and put on some music).

Tell us about the finished projects you love the most.

Tell us about your current project.

Are you enjoying the interview?

What can we expect in the near future from you?

What started your interest in your profession?

Non creative jobs you had worked in?.

What do your parents think you do?

Did your education count?

What means to you the term "creativity"?

What did you study and how did you prepare?

What is the hardest project you've ever been part of?

When and how did you discover your profession?

If you could change something on your profession, what will you change?

Your brain is your work tool, how do you take care of it?

What is the person/company do you want to work with?

Do you work fine under pressure?

What do you feel about old projects you did?

So many ideas ususally come up at different places and they are connected as well to different people. How do you explain this phenomenon?

Let's get personal

Describe carefully the most beautiful thing you ever seen.

Describe the best childhood memory.

Close your eyes, take a breath and tell us what you see.

Your favourite t-shirt.

¿Every man/woman is an island?

Tell us your backstory.

Kind of kiss that drives you mad.

Describe a typical Sunday in your life.

Tell us about the must see places of your area.

Your inner child meets your present mature person, What the inner child would say to you?

Tell us a secret.

Make yourself a question and (of course) answer it.

Ten things I decided to do before I leave.

Tell us about this moment in life you are living. Make us part of a walk with you.

Plans for the future.

Describe the best trip you ever did.

Did you ever take drugs to stimulate creativity?.

What do you like to do a part from being a creative?

Now let's suppose you became insanely rich, first thing you'd do is...

(Take a photo and send it to us)

What about your first love story?.

Any recurrent dream.

(Get up and make the "Ian Curtis dance". Good!).

Spread a wish.

(Make someone you know write down some words about you and tell us about him/her)

Who is the person you love the most?

Do you normally read?

A city.

What kind of music are you listening?

*Experience is a neverending way, do you think
you have gone far?*

Choose a color.

What is your last lesson learned? teach us.

Are you shy?

Any last words?.

Do you think you know yourself well?

What do you expect about you?

A dream.

My best thought about life is...

My latest discovery was...

My best advice to you is...

I am who I am because...

*My favourite place to rest and think about the
meaning of life is...*

Things I hate the most...

My best teacher show me how to...

*All I know about life can be said with those few
words...*

*The part of the process I hate the most when I'm
working is...*

What I love the most about my work is...

The worst thing I've said to another person is...

*The kindest words I've ever said to another
person were...*

Through my window I can see...

My deepest fear is...

I feel lost when...

Art means...

*I want to thank the Academy for this award
and...*

The best self-promotion tools are...
